

MONTGOMERY MEADOWS HOMEOWNERS ASSOCIATION
BOARD OF TRUSTEES MEETING MINUTES
MONDAY, March 14, 2005

CALL TO ORDER: Walter Rugh called the meeting to order at 7:00 p.m.

ATTENDANCE TAKEN: Board members present were Walter Rugh, Thelma Bikulcius, Maurice Trabout, Jay Blount and John Britton. Debbie Wallace and Jack Dodd had an excused absence. Lisa Bloomer represented Complete Property Management Group, Inc. D.B.A. Management Plus Realty Service.

APPROVAL OF MINUTES: The Board of Trustees approved the Minutes of the February 14, 2005 Board of Trustees Meeting. The minutes will be distributed to the community.

COMMITTEE REPORTS:

- a.) **Architectural Committee:** Improvement Applications – none.
- b.) **Budget Committee:** The monthly fee is \$195.00 per unit per month and the Board approved an additional funding of the reserve account at an annual fee of \$550.00 per unit. Homeowners would be able to pay ½ the fee January 1, 2005 of \$275.00 and the other ½ of the fee \$275.00 July 1, 2005. The Board agreed to charge a late fee for a fee past due.

MANAGEMENT REPORT: The Board approved the management report as written. Balance in the checking account as of February 28, 2005 was \$20,375.00. The balance in the reserve account as of February 28, 2005 was \$1,279.89. The Board reviewed the past due report and the prepaid report. The Board approved the payment of the invoices submitted by Management Plus.

Homeowners that pay fees late or have not paid on the additional funding of the reserve account for 2005: The Board approved a policy that Management Plus should immediately file a lien on all accounts that are past due three months. For example, any homeowner that has not paid the first installment of the additional funding of the reserve account as of March 31, 2005 will be subject to a lien being filed with no further notice given. The Board is forced to set this policy since we cannot operate or maintain the property if the homeowners do not pay the monthly assessment or the additional funding of the reserve account in a timely manner.

OLD/NEW BUSINESS:

- a.) **Roofing Repairs:** The Board reviewed updated bids for necessary roofing repairs for 2005. The Board hired Baker Roofer for building 500. Additional work to be done in 2006.
- b.) **Gutter and Downspout Replacements:** The Board reviewed updated bids for necessary gutter and downspout replacements for 2005. The Board hired Murphy Home Improvement to install new gutters and downspouts on building 900. Additional work to be done in 2006.
- c.) **Bids for front porches 300 Building:** The Board is reviewing bids and recommendations. Work not to be done in 2005.

- d.) Garage door lock 1200 Building: John Britton agreed to install the lock and give a key to all homeowners and one for Management Plus.
- e.) Financial picture for 2005: It does not look like the Board will be able to complete all scheduled projects for 2005 in 2005 they may need to be spread of 2005 and 2006 due to the lack of monies in the reserve account. The reserve account is very low for the amount of work needed in the community. Adjustments may be needed for the fees and the additional funding of the reserve account for 2006.
- f.) **Proposed Amendment: The Board is mailing to all homeowners a proposed amendment that will allow amendments to take effect immediately after recording instead of three years from the date of recording. Also included in this amendment gives the Board the right to charge late fees, court costs, attorney fees, interest, administrative fees, Enforcement Assessment, Charges for Damages, collection costs, paralegal fees, etc. if a homeowner is in violation of the Covenants and Restrictions of the Community. The Board is encouraging all homeowners to vote "Yes" for this amendment. This amendment will allow the Board more latitude in favor of the homeowners to maintain the property and to protect the values of your home. This amendment will allow the Board the latitude to be able to enforce the rules of the community with penalties and fines if homeowners and residents do not cooperate. In the past, the Boards hands have been tied due to the lack of wording in the original Declaration. Please return your ballot immediately to Management Plus. If anyone has any questions or concerns regarding this proposed amendment – please feel free to attend the April 11, 2005 Board Meeting.**
- g.) Crack filling: The Board requested that Management Plus solicit bid from Southern Ohio Seal coating for crack filling in 2005.
- h.) Termite treatments for 2005: The Board at this time does not plan to treat any buildings in 2005 for termites. This work will be tabled until 2006. Buildings tentatively scheduled are 100, 200 and 300. Termite inspections: The Board requested that Ace Exterminating stop at unit 805 each month for the inspections.
- i.) Letter from Laverne Martin: The Board reviewed the letter.
- j.) Snow removal services for 2006: The Board discussed that more stakes are needed next year to prevent common area damages. Dr. Rugh agreed to speak with the landscaper about this matter.
- k.) Trash removal services: The trash is picked up on Tuesday the recycling is not picked up until Wednesday. Do not set your recycling out early.
- l.) Selling your unit: Please keep in mind that the Association is not a party to your sales agreement. If any work is a contingency in your sales agreement, you the seller are agreeing to pay for and have this work done. Prior to having any work done, in the limited or common area the Board must first approve it. A homeowner **cannot** agree that the Association will do work contingent in your sales agreement. A homeowner cannot commit for the Association. If your

buyer wants work done and you agree to it, (you agree to pay for it and take care of it – with Board approval). Be very careful in agreeing to take care of items that are not your responsibility or obligation. You as a homeowner cannot agree or authorize repairs, replacements or expenditures for the Association.

Do **not** agree to take care of any Association related items. If something is needed or wanted at your unit, that could be an Association expense, please send in a service request form. It is the Board's decision to act on this expenditure and when to act on this expenditure – not the homeowner. We cannot guarantee that any specific item that is a cost of the Association will be taken care of prior to any closing. The two (Association maintenance and your closing) are NOT related in any manner.

- m.)** Service Requests: If you are having any service needs, please use a service request form and forward it to Management Plus Realty Service either by mail, fax or e-mail. If you do not have a service request form, you may send a note. All service requests (except for true emergencies) must be in writing.
